

Postgraduate qualifications relevant to Renewable Energy

Note: This list is intended to give New Zealand Scholarship applicants a sense of the range of courses that could align with the preferred subject area of Renewable Energy. It is not a comprehensive list. Please check institution websites for their full range of courses and up-to-date information.

For information about undergraduate courses, refer to the separate information sheet on Undergraduate qualifications relevant to Renewable Energy.

Solar	Master of Engineering	University of Waikato	1 year
Hydrothermal	Master of Environmental Sciences/Master of Science	University of Waikato	1-2 years
	Master of Water Resource Management	Lincoln University	2 years
Geothermal	Postgraduate Certificate in Geothermal Energy Technology	University of Auckland	0.5 years
	Master of Energy	University of Auckland	1 year
Wind energy	Master of Energy	University of Auckland	1 year
Energy Policy	Master of Environmental Studies	Victoria University of Wellington	2 years
	Master of Environment and Society/Master of Environmental Planning	University of Waikato	1-2 years
	Master of Applied Science in Environmental Management	University of Otago	1 year
	Master of Energy	University of Auckland	1 year
	Master or Postgraduate Diploma of Science in Energy Studies	University of Otago	1 year
	Postgraduate Diploma in Intl Development Master of International Development	Massey University	1 year 1-2 years
Natural Resource Management	Postgraduate Diploma in Water Resource Management	Lincoln University	1 year
	Postgraduate Diploma in Earth Sciences	University of Waikato	1-2 years
	Master of Science (Ecological Restoration or Ecology & Biodiversity; or Marine Biology)	Victoria University of Wellington	1-2 years
	Postgraduate Diploma in Water Resource Management	Lincoln University	1 year
	Master of Water Resource Management		2 years
	Master of Environmental Studies	Victoria University of Wellington	2 years
	Master of Applied Science in Environmental Management	University of Otago	1 year
	Master of Science in Geography	Victoria University of Wellington	2 years
Master of Arts in International Development	University of Auckland	1-2 years	

Technology	Master of Engineering	University of Waikato	1 year
	Master of Science (Technology)	University of Waikato	1 year

Engineering	Master of Engineering	University of Waikato	1-2 years
	Master of Engineering Studies	Massey University	1 Year
	Postgraduate Diploma in Engineering (Energy Management)	Massey University	1 Year
	Postgraduate Diploma in Engineering (Renewable Energy Systems)	Massey University	1 Year
	Postgraduate Certificate in Engineering	University of Waikato	0.5 years

Geology	Master of Science/Master of Science (Technology)	University of Waikato	1-2 years
	Master of Science in Geology	University of Otago Victoria University of Wellington	2 years
	Postgraduate Diploma in Science (Geology)	University of Otago Victoria University of Wellington	1 year
	Postgraduate Diploma in Earth Sciences	University of Waikato	1 year
	Postgraduate Diploma in Applied Science (Applied Geology) Master of Applied Science (Applied Geology)	University of Otago	1 year 2 years

Note: This is not a comprehensive list of courses. Please check institution websites for their full range of courses and up-to-date information.

New Zealand ASEAN Scholar Awards, New Zealand Pacific Scholarships, and New Zealand Development Scholarships are available for study at the following New Zealand institutions:

- Auckland University of Technology
- Lincoln University
- Massey University
- Unitec Institute of Technology
- University of Auckland
- University of Canterbury
- University of Otago
- Victoria University of Wellington
- University of Waikato
