

## **Independent End of Programme Evaluation of the Public Service Fale, 2020-2025**

This evaluation relates to the *Pacific Public Sector Strengthening – Public Service Commission 2020-2026* activity (ACT-0100822).

### Background

This evaluation was commissioned by the Public Service Commission and was carried out by MartinJenkins. MFAT was closely involved throughout the evaluation process, including review of the terms of reference, participation in the evaluation steering group, a sense-making workshop, and a review of the final report.

### The Evaluation

MFAT considered the evaluation to be a well-written and balanced assessment with clear recommendations.

MFAT agrees with the evaluation findings and recommendations. The Public Service Commission has accepted the findings and recommendations and have made the report available on its [website](#).

### MFAT Management Response

Given the Public Service Commission has published the report, DEVECO recommends that the Ministry also publish the report.
