

EU / NZ MISSION

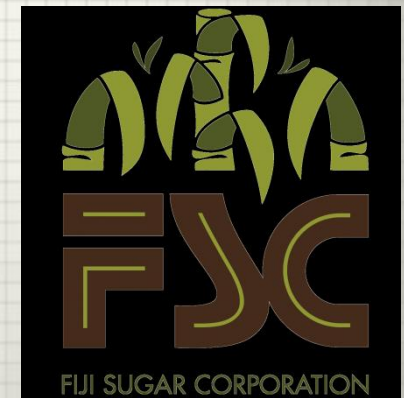

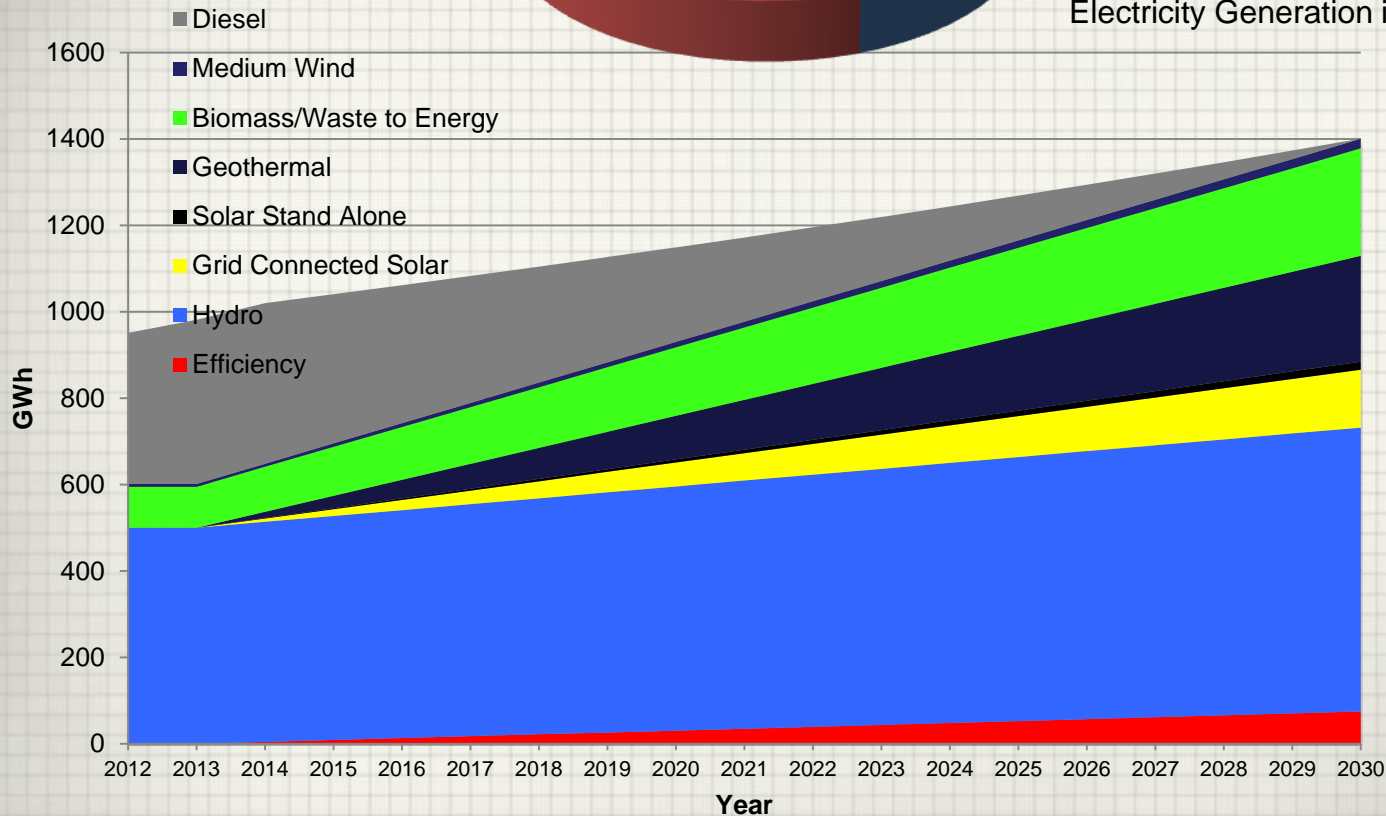

01 June 2016

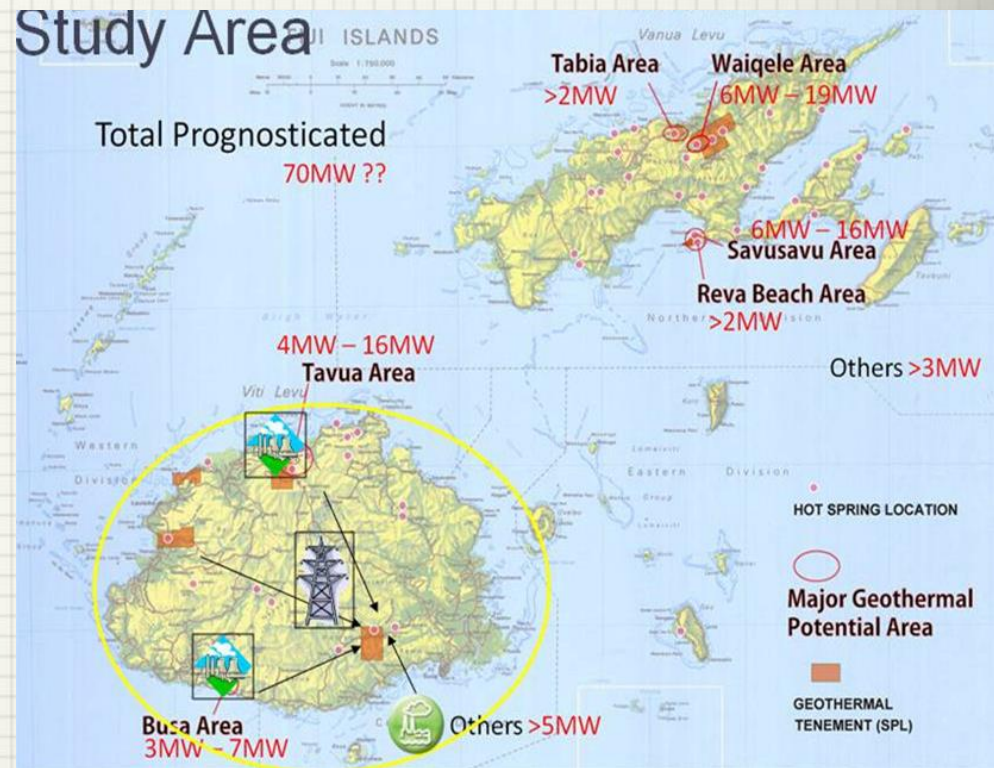

Electricity Sector – Generation Mix

Electricity Generation in Fiji by Source (FEA-2014 Data)

CHALLENGES TO GRID BASED RENEWABLES

CHALLENGES TO OFF GRID RENEWABLES

CHALLENGES TO OFF GRID RENEWABLES

PROPOSED WAY FORWARD

- Establishing IPP procurement process.
- Developing a net metering arrangement or viable feed-in tariffs
- Developing a national electrification master plan.
- Establishing a framework for encouraging off-grid rural electrification projects
