

Activity Number ACT-0100474

Activity Name: Pacific Detector Dog Programme 2018-2023

Objective:

The Pacific Detector Dog Programme (PDDP) 2018-2023 builds detection capability in the Detector Dog Units of border agencies in the Cook Islands, Tonga, Samoa and Fiji. The programme provides trained dogs, and builds capability in dog handling, leadership, systems and processes, and investigation and use of legal powers to enforce and prosecute intercepts of illicit material, primarily drugs. PDDP is implemented by NZ Police, and jointly with NZ Customs in Fiji and Samoa.
