**Activity Number** ACT-0100801

**Activity Name:** Philippines: Vocational training for women in Cebu

## Objective:

MFAT will fund the Cebu Chamber of Commerce and Industry to implement a training programme to develop in-demand skills for single mothers in Cebu, Philippines. The purpose of this activity is to empower participants to become financially independent and increase their livelihoods through the development of vocational skills. As a result, participants will have increased skills and confidence to pursue work opportunities
