Tēnā koe Personal details removed for proactive release

Thank you for your letter of 10 December 2025, in which you request the following under the Official Information Act 1982 (OIA):

1. *Any publicly available documentation about AI systems used in your organisation, including where this information can be found (e.g., on your website, annual reports, ethics or transparency pages, etc.).*
2. *A list of all AI systems currently used in your organisation.*
3. *For any AI systems currently in use that are not publicly described, please provide basic information about each system, including its purpose, the problem it addresses, its inputs and outputs, the team or business unit responsible for its use. (If details need to be withheld, please release what you can and cite the relevant withholding grounds.)*
4. *For all current AI systems, please provide: any results, reports, summaries, or documentation from trials, pilots, or evaluations conducted before, during and after deployment. Any information on how regularly AI systems are reviewed or re-evaluated during operational use*
5. *If available, please provide any information (public or not yet public) indicating the scale of AI use within your organisation.*

You provided the following information as context relating to the scope of your request:

*"I am seeking information about all AI systems currently used within your organisation, including both generative AI and non-generative AI systems. For this request, "AI systems" includes any system involving machine learning, predictive analytics, automated decision-making, risk scoring, computer vision, natural language processing, or generative AI tools."*

### **Response to your request**

Please note, Ministry systems are configured to retain search data for 30 days from when a search is carried out. On that basis, the information provided below is for the period of 12 December 2025 to 12 January 2026.

Information in scope of part one of your request is publicly available on the Ministry of Foreign Affairs and Trade's (the Ministry) website. Accordingly, your request is refused under section 18(d) of the OIA. You can find relevant information about the Ministry's

decision to only allow the use of AI systems with unclassified data via this link: [www.mfat.govt.nz/assets/OIA/OIA-2025/OIA-30497-MFAT-AI-Tools-19-November-2025.pdf](http://www.mfat.govt.nz/assets/OIA/OIA-2025/OIA-30497-MFAT-AI-Tools-19-November-2025.pdf)

In response to part two of your request, below is a list of all AI systems used on the Ministry's system within the period 12 December 2025 – 12 January 2026. This list includes tools either directly accessed by Ministry staff, or accessed indirectly by staff, such as through tools embedded within web pages visited by Ministry staff.
