TRADE FOR ALL MINISTERIAL ADVISORY GROUP: ESTABLISHMENT AND APPOINTMENTS

Proposal

- 1 This paper outlines my intention to establish and chair the Trade for All Ministerial Advisory Group (TFAMAG) and appoint 11 inaugural members. Six members will roll-over from the Trade for All Advisory Board (TFAAB) and be appointed for a term of one year commencing on the date of appointment. Five members, who were not members of TFAAB, will each be appointed for two year terms commencing on the date of appointment.
- 2 This paper has two appendices. The first is the Terms of Reference for the TFAMAG and the second lists the proposed membership. The TFAMAG Organisation form and Candidate CV forms for all 11 candidates are also attached.

Background

- 3 Trade for All (TFA) is a fundamental component of ensuring an economy that is growing and working for all New Zealanders. The work underway to implement and strengthen the TFA agenda will contribute to maintaining and strengthening the social licence for trade policy in New Zealand, and is essential if trade is to be inclusive and sustainable.
- 4 In December 2018 Hon David Parker, the then Minister for Trade and Export Growth, established the TFAAB. TFAAB's purpose was to produce a report, with recommendations, on the future shape of trade policy in light of the Government's TFA agenda. TFAAB reported back to the Minister in November 2019 and ceased to exist thereafter.
- 5 TFAAB was a Group 4, Level 1 Body under the Cabinet Fees Framework (Cabinet Office Circular CO (19)(1) refers).
- 6 The TFAMAG will provide an ongoing, targeted mechanism through which I can engage with representatives from business, Māori and civil society on New Zealand trade policy in a post-COVID era.
- 7 Establishment of the TFAMAG will complement MFAT's intensification and expansion of its engagement with domestic partners and stakeholders on trade policy issues, under the TFA agenda. This includes the establishment of Te Taumata, a group of recognised leaders in Māori socio-economic and cultural

development with networks across Māoridom and the proposed establishment of Ngā Toki Whakarururanga.¹

- 8 I will chair the TFAMAG and plan to meet with the group at least twice a year to:
- a) engage on developments across the trade agenda, including progress in implementing the TFAAB's recommendations;
 - b) discuss trade issues of importance to their sectors; and
 - c) hear cross-sectoral perspectives on the Government's trade agenda in order to inform Government trade policy and priority setting.
- 9 As with the TFAAB, the TFAMAG will bring together New Zealanders with a wide range of views, knowledge and experience to identify and discuss trade issues in depth.
- 10 Alongside New Zealand's COVID-19 Trade Recovery Strategy, effective implementation of TFA contributes to an economy that produces and exports higher value goods and services, protects the environment, underpins high-quality, productive investment, supports our regions to grow, and makes sure all New Zealanders share in the rewards of economic growth.

Representativeness of Appointments

- 11 I am satisfied that these appointments provide for a well-balanced body in terms of gender, age, ethnicity and geographic representation, and an appropriate mix of skills and experience. The group comprises :
- a) Gender: 5 female and 6 male.
 - b) Age: 6 under 45 and 5 over 45.
 - c) Ethnicity: 8 Pakeha/European/Caucasian, 3 Māori and 1 Pacific (note that this totals to more than 11 due to a member indicating more than one ethnicity).
 - d) Geographic Representation: Members reside in Auckland, Christchurch, Fielding, Hamilton, and Wellington, providing a mix of urban and rural connections.

¹ The establishment of Ngā Toki Whakarururanga is an agreed outcome of a Waitangi Tribunal mediation settlement between the Crown and claimants to WAI2522, with the primary purpose to develop a Tiriti-based relationship with the Crown in relation to Trade policy. It is expected that the entity will be established by September 2021.

- 12 If required, I may appoint further members in order to ensure a well-balanced, representative group is maintained. In particular, I will consider appointing a member from Ngā Toki Whakarururanga.

Remuneration

- 13 The TFAMAG is classified as a Group 4, Level 2 Body under the Cabinet Fees Framework. Daily fees have been set in accordance with the Framework. Members will also be reimbursed expenses incurred in relation to attending meetings of the group.
- 14 Remuneration and expenses will be funded from MFAT's baseline funding. I expect that the annual cost of TFAMAG meetings will be approximately \$60,000, including fees and expenses.
- 15 MFAT will provide secretariat support to the TFAMAG, meeting associated costs from within existing baselines.

Appointment Process and Consultation

- 16 I intend to appoint six TFAAB members to the TFAMAG given the connection in the work of the two bodies. In this way, the TFAMAG will be able to draw on and continue the work that culminated in TFAAB's 2019 report. The appointment process for the TFAMAG therefore leverages the appointment process for the TFAAB (APH-18-MIN-0124 refers).
- 17 I intend to appoint five people to TFAMAG who were not TFAAB members. Appointing a number of 'new faces', injects new experiences and perspectives to the group.
- 18 I am confident that with these 11 appointments TFAMAG remains a representative body, reflecting those sectors and groups with an interest in the TFA agenda.
- 19 David Pine, the Chair of TFAAB, will not be appointed to the TFAMAG as he has re-joined the Ministry of Foreign Affairs and Trade.
- 20 Members of the TFAAB that are rolling over into the TFAMAG will be appointed for a term of one year, with the remaining five members appointed for two years. By staggering the terms of appointment I will be able to reconsider membership in out years to ensure the TFAMAG continues to reflect the sectors and groups with an interest in the Trade for All agenda.

Conflicts of interest

- 21 The nature of TFAMAG as a purely advisory body, with membership intentionally selected to be representative of a range of views, means that I do

not consider that the usual conflicts of interest inquiries are relevant prior to appointment. While the Group will be required to advise of conflicts of interest during our meetings, I would not expect many such conflicts to arise due to the nature of TFAMAG's advisory function.

Timing and Publicity

- 22 A press statement or associated social media will be issued after appointments to the Group have been approved and the TFAMAG members have been notified. With the TFAAB website due to expire in October 2021, the TFAAB report will be moved to the MFAT website. I, along with MFAT, will issue and publicise future statements and updates.

Financial Implications

- 23 Costs associated with the TFAMAG are to be funded through MFAT baselines during the 20/21 FY and out years.

Legislative Implications

- 24 There are no legislative implications arising from this paper.

Consultation

- 25 The following departments were consulted on this paper: New Zealand Trade and Enterprise, Ministry for Business, Innovation and Employment, Ministry for Pacific Peoples, Ministry for Primary Industries, Ministry for Women, Te Puni Kōkiri and The Treasury.

Recommendation

- 26 It is recommended that the Committee:
- a) **Note** my intention to establish the Trade for All Ministerial Advisory Group in line with the Terms of Reference attached as Appendix One.
 - b) **Note** my intention to appoint the persons identified in Appendix Two to the Trade for All Ministerial Advisory Group from the date of appointment for a period of one or two years as outlined in Appendix Two.
 - c) **Note** I may appoint future members as required in order to ensure a well-balanced, representative body.

Authorised for lodgement

Hon Damien O'Connor

Minister for Trade and Export Growth

APPENDIX ONE – TRADE FOR ALL MINISTERIAL ADVISORY GROUP: TERMS OF REFERENCE

Rationale

The Trade for All agenda underpins all of our trade policy, and is essential if trade is to be successful, inclusive and sustainable.

The development of Trade for All included extensive consultation around the country, culminating in recommendations from the Trade for All Advisory Board (TFAAB) on the future of New Zealand's trade policy. Cabinet agreed in March 2020 to implement TFAAB's recommendations.

TFAAB added significant value to the development of the Trade for All agenda. The Trade for All Ministerial Advisory Group (TFAMAG) will extend this value by providing an ongoing mechanism to engage with the Minister for Trade and Export Growth on New Zealand trade policy in a post-COVID era.

Purpose

The role of TFAMAG is to provide a targeted mechanism for focused, high-level engagement between the Minister for Trade and Export Growth and representatives from business, Māori and civil society, in order that:

- a) the Minister can engage TFAMAG members on developments across the trade agenda, including on the implementation of the TFAAB's recommendations;
- b) members can provide feedback directly to the Minister on trade issues of importance to their sectors; and
- c) cross-sectoral perspectives on the trade agenda contribute to informing Government strategies and priority setting.

The Minister for Trade and Export Growth will convene and chair at least two meetings of TFAMAG per year.

Membership

TFAMAG will consist of a mix of members; people who were members of TFAAB and others who were not members of TFAAB.

The Minister may invite additional members to ensure that TFAMAG is a well-balanced, representative body that reflects those sectors and groups with an interest in the Trade for All agenda.

Members will be paid a daily fee set in accordance with the Cabinet Fees Framework together with the reimbursement of expenses incurred in attending meetings.

Confidentiality

The Group should find a balance that allows for a full and frank exchange of views on a confidential basis while recognising that members will wish to exchange information among their own networks on issues addressed at the TFAMAG. It is expected that, if there are any particularly sensitive issues discussed, it should be made clear at the meeting that they are not to be disseminated beyond the TFAMAG and this must be accepted by all TFAMAG members.

Point of Contact

MFAT will appoint a Point of Contact for TFAMAG members. The Point of Contact is available to discuss any matter in relation to membership of TFAMAG and its operation. The Point of Contact will be notified to TFAMAG from time to time.
