

## ANNEX IV

### SCHEDULE OF MEXICO

**Obligations Concerned:** Article 17.4.1(a) (Non-discriminatory Treatment and Commercial Considerations)  
Article 17.6.1(a) (Non-commercial Assistance), with respect to the production and sale of a good in competition with a like good produced and sold by a covered investment in the territory of Mexico  
Article 17.6.2(b) (Non-commercial Assistance)

**Entity:** Comisión Federal de Electricidad, its subsidiaries and affiliates, or any new, reorganised or successor enterprise or entity.

**Scope of Non-Conforming Activities:** With respect to Article 17.4.1(a) (Non-discriminatory Treatment and Commercial Considerations), the Entity may grant preferences to goods and services of Mexican enterprises in its purchases of goods and services, when engaging in the following activities within the territory of Mexico:

- (a) transmission and distribution of electricity;
- (b) electricity generation through the use of nuclear fuels; and
- (c) conditioning, transportation, storage and confinement of radioactive waste.

The State may require the Entity in the contracts and permits awarded to or granted to the Entity, to include preferences for the purchase of goods and services of Mexican enterprises, when engaging in the transportation, storage, distribution and commercialisation of natural gas and other fuels, pursuant to the *Ley de Hidrocarburos*.

The preferences to goods and services described above are granted pursuant to the entry at Annex I – Mexico – 23 (Electricity). For greater certainty, Mexico has not scheduled against Article 17.4.1(b) (Non-discriminatory Treatment and Commercial Considerations), for these preferences by virtue of Article 17.2.11 (Scope).

With respect to Article 17.6.1(a) (Non-commercial Assistance) and Article 17.6.2(b) (Non-commercial Assistance), Mexico or its state enterprises or state-owned enterprises may provide non-commercial assistance to the Entity, including from the Universal Electric Service Fund, for the sole purpose of implementing targeted programmes which are undertaken pursuant to the *Ley de la Industria Eléctrica* and which promote the electrification of rural communities and marginalised urban areas, including the supply of power to vulnerable users at affordable prices.

**Measures:**

*Ley de la Comisión Federal de Electricidad*, Articles 5, 63, 78 paragraphs VIII and IX.

*Ley de la Industria Eléctrica*, Articles 30, 31, 32, 33, 91, 113, 115 and 116.
