

Undergraduate qualifications relevant to **Private Sector Development**

Note: This list is intended to give New Zealand Scholarship applicants a sense of the range of courses that could align with the priority sector of Private Sector Development. It is not a comprehensive list. Please check institution websites for their full range of courses and up-to-date information. You must do your own research on what could be the best programmes of study and institutes for you.

For information about postgraduate courses, refer to the separate information sheet on Postgraduate qualifications relevant to Private Sector Development.
